

Amendment No. 4 to Registry Agreement

The Internet Corporation for Assigned Names and Numbers and Binky Moon, LLC agree, effective as of _____ (“Amendment No. 4 Effective Date”), that the modification set forth in this amendment No. 4 (the “Amendment”) is made to the 31 March 2016 **.SHOPPING** Registry Agreement between the parties, as amended (the “Agreement”).

The parties hereby agree to amend Exhibit A of the Agreement by deleting section 6 in its entirety:

[OLD TEXT]

“6. Domains Protected Marks List (DPML)

The DPML is a service that allows trademark rights holders to block certain labels from registration across multiple TLDs operated by the Registry Operator. The blocked names must comply with the provisions described in Specification 5, Section 3.3 of the Registry Agreement. Domain Names blocked by the DPML service will be either an exact match of a label or will contain an exact match of such labels, or may include domain names that are a misspelling or contain a misspelling of a label. Blocked labels do not prevent other trademark rights holders from unblocking the label and registering the domain name.”

[END OLD TEXT]

The parties hereby further agree to amend Exhibit A of the Agreement by replacing the deleted section above with new text as a new section 6:

[START NEW TEXT]

“6. Domains Protected Marks List (DPML)

The DPML is a service that allows trademark rights holders to block certain labels from registration across multiple TLDs operated by the Registry Operator. The blocked names must comply with the provisions described in Specification 5, Section 3.3 of the Registry Agreement. Domain Names blocked by the DPML service will be either an exact match of a label or will contain an exact match of such labels, or may include domain names that are a misspelling or contain a misspelling of a label. Blocked labels do not prevent other trademark rights holders or DPML holders from unblocking the label and registering the domain name. In some instances, approval from the applicable DPML holder may be required for a third party with the same trademark to register the blocked name.”

[END NEW TEXT]

The parties agree that, except as set forth in this Amendment, and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
