ICANN Final Determination

Re: Notice of Registry Operator Request for Termination of Registry Agreement - .vistaprint

On 14 October 2019, Vistaprint Limited notified ICANN org of its intent to terminate the .vistaprint Registry Agreement entered into on 18 September 2014. Pursuant to Section 4.4(b) of the Registry Agreement, Registry Operator may terminate the Registry Agreement for any reason upon one hundred eighty (180) calendar day advance notice.

Pursuant to the terms of Section 4.5 of the Registry Agreement (as modified by Section 6 of Specification 13 for this .Brand TLD), ICANN org consulted with Vistaprint Limited to assess whether to transition operation of the .vistaprint top-level domain (TLD) to a successor Registry Operator.

On 04 December 2019, ICANN org made a preliminary determination that operation of the .vistaprint TLD need not be transitioned to a successor Registry Operator based on the following rationale:

1. .vistaprint qualifies as a .Brand TLD.
2. Transitioning the TLD is not necessary to protect the public interest.

On 03 January 2020, after a 30-day period for comments by interested parties, no comments were received. Pursuant to Section 4.4(b) of the Registry Agreement, ICANN org will proceed to terminate the .vistaprint Registry Agreement by 11 April 2020.

In conformance with Section 4.5 of the Registry Agreement (as modified by Section 6 of Specification 13 for this .Brand TLD), ICANN org may not delegate the TLD to a successor registry operator for a period of two years without Registry Operator's consent, which shall not be unreasonably withheld, conditioned or delayed.
